QUARTERLY PHASER

April 2000

ISSUE #12

OLD STUFF - CURRENT STUFF - STUFF TO COME!

The first quarter of the new millennium is past and it has been busier than ever for Laser Storm.

We are having the most competitive league season since leagues first started. Through week 5 there was only a 1/2 game difference between the first place team and the fourth place team.

Laser Storm now has two new specials. We now offer an afternoon Luncheon and an All Night Group Outing.

We are holding a contest to see who can design Laser Storm's next membership card. The winner receives prizes valued over \$65.

The race to 50 is still on. There are some great prizes still to be had. Currently there are more than 10 players that are over level 35.

Members looking for skill points should try to make it down on Monday and Thursday nights. Monday is league night and the open games include the highest level members Laser Storm Pittsburgh has to offer. Thursday night Fire 'Til You Tire seems to be the members choice for weeknight play. We usually average 8 to 10 members every Thursday night.

There will be a member's exclusive holiday Easter special. Be sure to take advantage of the great special rate we will be offering.

With the new quarter also comes SUMMER! The hottest months of the year should have the hottest specials of the year. Be sure to check out the member's exclusive summer rates.

membership card design contest

Laser Storm will be holding a contest to see who can come up with the best, most original design for the next generation membership card.

The design should be colorful, include our logo, address, phone #, web site address, and a space to put the member's personal alias.

The winner of the contest will receive a free one year renewal of their current membership and ten free games of laser tag.

There is no limit to the number of entries for each participant, so enter as many times as you would like. All entries should be submitted to a Laser Storm manager.
