## GOD BLESS AMERICA

While most of us were in school, at work, or sleeping on September 11, 2001 the most tragic and sad terrorism attack was going on in New York, Washington, and Pennsylvania. Around 8:15 am the United States of America was changed forever. This is the biggest tragedy the U.S. has ever seen, much worse than Pearl Harbor. While all of us could just watch and listen, it was something we could not believe.

At first Pittsburgh was an expected target, as the city was evacuated, no one really knew what was going on. Later facts told us that this was not true, Pittsburgh was not a target. One of the four hijacked planes crashed only 40 minuets from Pittsburgh in Sommerset County. Two others crashed into the World Trade Center towers in down town New York city. The fourth plane, crashed into the Pentagon.

While thousands perished, we the United States came together to show we are a nation. Thousands of fire fighters, police officers, and, citizens helped and are still helping in the rescue. Everywhere you look, you see the American flag, a symbol of our nation. To all the families, firefighters, and police officers who have lost their lives the prayers of Laser Storm are with you. God Bless.

# PA - OH REGION STARTING...

In July the 4th annual National Tournament was held with great completion, at Jester's Court in Ohio. Four teams attended from Pittsburgh, and had a blast playing all week. The competition was tough with only one Pittsburgh team in the top 5. Pittsburgh did win the highest plus-minus award. Great job to everyone who attended! Next year, watch out. Pittsburgh will be practicing and on the attack.

As of September 15, the players of Pittsburgh have been practicing for the upcoming season. The first tournament of the season was held in Ohio on the 29<sup>th</sup> of September. Two teams from Pittsburgh attended. Expendable Youth took 3<sup>rd</sup> place.

Laser Storm Pittsburgh will be hosting the next Tournament. If you are interested in becoming part of the monthly tournaments, please contact us by phone, 412-364-3473 or email at [info@laserstorm.org](mailto:info@laserstorm.org).

# SUMMER LEAGUE

# OLD & NEW

As we go through the years at Laser Storm, a lot changes. We still have some of the older generation players still with us. However, the next generation players are increasing in numbers. They are getting really good.

At the beginning of September Laser Storm added Air Hockey to the arcade. Also the current arena design will be changing in October.

The tournaments have changed also, we now hold them on Saturday nights rather than Sunday mornings.

Covering your headset is one of the most argued rules in the book, and now it's a rule that we allow in our own leagues!

When memberships started with the new 5.3 software upgrade in 1997, we had the first skill level 1. Now in 2001 our highest level is 57 and still counting.

This just shows everyone that you will never know what will be next for Laser Storm Pittsburgh.
