The Quarterly Laser Storm Membership Newsletter

## WHAT'S GOING ON?

What a great time to be a member! Laser Storm has more members that ever and the numbers continue to grow. And with the upcoming exclusive events, YOU can participate since you are now a member.

The Soul Calibur 3 tournament was held February 20th, the Regional tournament was the 24th, and League playoffs are now underway. Most likely there will be another SC3 tournament, and as soon as leagues are over, we'll be starting another season right away.

The March Regional was held in Ohio, and the next one will be in Michigan. After that comes the Regional Championship here in Pittsburgh in mid-May.

It's also almost time for an arena change. We have received several submissions from various members. Some better than others, but all of them are unique and interesting. Thank you for your designs.

We are going to hold a members only exclusive event on June 16th, with many, many different game scenarios, pizza, drinks, and arcade tokens. This one's going to last all night (12:30 am to 5:30 am) so get some sleep beforehand! We need to have a minimum of 25 players signed up and pay a deposit ahead of time, so let's get the word out! Call the store for information- 412-364-3473

## new members!

Memberships are just as popular as they were when we first introduced them back in 1997. It's also one of our prices that has never been increased. In keeping the members a top priority, we've managed to let the value of our memberships increase while the price itself does not. Don't forget you can customize your membership card. Ask for details from one of our management staff!

# Regional tournaments

The only thing that can be said about February's Regional is: Wow. That was some kind of tournament! It's been years since Ohio sent more than one team to Pittsburgh for Regionals. Well, this month they sent THREE! And then New Jersey players showed up from 6 hours away! To top it off Pittsburgh had 6 home teams, including 2 completely new teams with several players who had never played in our tournaments before.

The seemingly slow start to this season was definitely deceiving (No November tournament, December and January off for the holidays). There was some concern that the region is unstable and no one wants to play competitively anymore. Considering this past tournament had more players than the National Tournament last summer, that concern is now gone.

Congrats to the "Laser Noobs", with all five of their players being new to the Regional Scene, they managed to win a few games. We are also very grateful to the New Jersey team "YAY Not Last" for making such a long trip just for the sake of laser tag.

It was a heated battle for 3rd place, but "Han Solo's Leg" managed to claw their way through the lower bracket and take it away from "Stay Fly" in the end. "Team 2", which was the new name for the Ohio team "Jester's Court", placed second in a very close game against our champions for this month, "Dump Truck". They went all the way to the final

round, and even beat "Dump Truck" once before losing in the last game.

Along came March 24th and 4 of our teams made the trip out to Austintown, Ohio. There, at Skate Zone, 8 teams assembled and fought hard all night for this one. The Pittsburgh teams had a slow start, with getting used to this completely alien arena and all. A few Michigan players showed up and made a team with native Skate Zone players. Quite unexpectedly, the primary Ohio team lost twice to the secondary Ohio team putting Ohio 1 in 3rd place. And after their closest games this season, "Dump Truck" went home with the win over Ohio 2.

# Leagues

More new captains for this season! We've been trying to give more people the chance to draft their own team. The more experience you have in leagues, the more likely you are to be eligible for a captain's position. You get to choose your own players, help develop strategies, and designate positions to your teammates. The regular season is over, and the team standings are below. The playoffs will be over in early April, so sign up now before the roster is full! There are always a few players who get left out because they waited too long to sign up and there were NO MORE SLOTS LEFT! This happens fast.

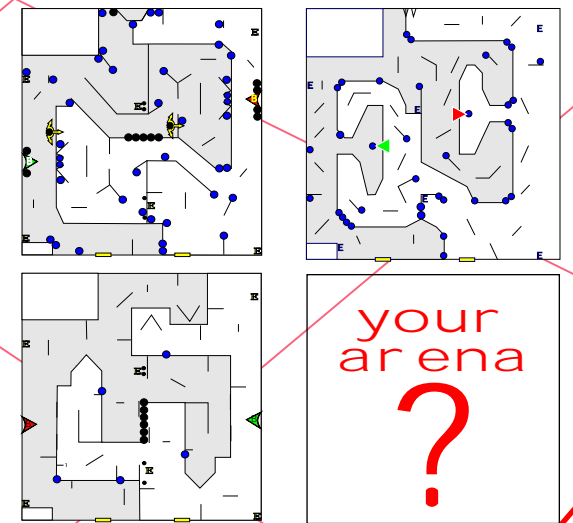

Also, the more you play, the more likely you can be nominated to be a league captain. This means you would participate in the draft and create your team from the available players using our draft process. To enhance your ability as a leader, or your strategic thinking, this is the most effective way!

## New arena?

So it's almost time for a new arena. "What!? Again?", you might say. After every league season we like to put up new a one. It keeps the game interesting, and it makes the players want to play a lot to get used to it. We have received several arena map submissions from a few players. We expected a lot more than this, guys! There's lots of you out there, thinking "I can make a better arena than this!". Well, print out the grid template from our website and get started! Whoever designs the best one will get their membership renewed for FREE, and get to see their design come to life!
