The Quarterly Laser Storm Membership Newsletter

## HAPPY NEW YEAR

Tons of stuff going on here at LSP! We've had 2 Random Draw 4 on 4 tournaments open to anyone who wanted to participate, and the first tournament of the 2008-2009 season. The next tournament is scheduled for January 24th here in Pittsburgh.

We've just released our NEW Gift Cards, and they look pretty cool! You can get them in any amount \$10.00 or more and they can be reloaded over and over again! Check them out next time you stop in. They make excellent gifts for anyone who loves laser tag, or as incentive for new players to come out and give laser tag a try.

Cold weather is the best time for playing Fire Till You Tire. After 3 or 4 consecutive games, nothing beats going outside to see the steam rise off your head. Very refreshing! Members can add on an extra hour of either Fire Till You Tire or Midnight Madness for only \$4.00. Playing a lot of games is the best way to get used to the layout of our NEW ARENA SETUP!

# Regional tournament Space Shuttle

We are very fortunate to have a huge number of active tournament players interested in playing all night long. The Northeast Region is the biggest in the country, and LSP is the largest contributor to these and every tournament across the United States. Ohio sent their delegation of players like they always do. Thanks to them, it's still a "region" and not just our store.

There were seven teams present for the first tournament of the new season, 6 from here and 1 from OH, with an extra OH player joining up with one of the local teams to complete the roster. Players who had never seen what it's like to play in a regional tournament got to have their first taste of the amazing skill that you come up against when you face Pittsburgh's best. Also many new teams formed, and some old teams re-formulated their rosters with the addition of fresh players.

Ohio's "Liftin' Weights" started off the night with a BYE, and the other 3 matchups were incredibly balanced. After somewhat of an upset for "Justice" against "Space Shuttle", they went on to easily defeat Ohio and everyone else only to come up against "Space Shuttle" again in the final game. This time it would not be so easy. In the end "Space Shuttle" claimed their first place victory over "Justice", but not without a fight!

The Next Regional Tournament is THIS MONTH (January) on the 24th. 5 player teams, double elimination. Here's your chance to face the defending champions.

# Leagues

Everyone thought that "Team Ghost" couldn't be beat. Everyone thought that they would just continue on through the league playoff bracket undefeated. Not so! "Ludicrous Speed", the only team to beat "Team Ghost" in the regular season, managed to knock them out of the winner's bracket unexpectedly. Their first game was tied 77-77, so the winner of the second game was guaranteed the win. "Ludicrous Speed" stepped up their game that night. 2 weeks later they did it again to win the Fall league Championship! What an amazing season thanks to those two teams, and congratulations to "Ludicrous Speed".
