# Storm Informer

The Quarterly Laser Storm Membership Newsletter

## YOU ARE THE ACTION

Summer has come to an end and school is back in session. As the weather gets colder the laser tag action heats up! The Fall League is under way as well as the 2012-2013 Regional Tournament season.

New members continue to add to the ranks. The individual player stats page is getting very popular. This page provides all kinds of data about your personal lifetime statistics and calculates how many skill points you need to reach the next skill level. It even has your born on date.

If you like to ski then you need to start getting your ski legs with a workout at Laser Storm. Play Fire Till You Tire or Midnight Madness twice a week and you will have your legs in shape for the snow.

## NEW MEMBERS!

Welcome to Storm. Members can get their individual player data from the website. Select your codename, press Submit then bookmark the page.

# MEMBERS EVENT

A successful members event was held August 4th. Twenty players participated in the two-hour format that is gaining popularity. The War Games and the Inverted-U games continue to be the favorite member's only scenarios.

The War Game provides every player with only 10 shields for the entire game. No re-energizing! Simply 10 shields and you're out! The game is played in the entire facility including the lobby and party rooms. No time limit on this one! Play continues until one team is completely eliminated.

The inverted-U game is played from the arena, into the lobby, and back into the arena in a battle to reach the opposite team's base target. Hence the name inverted-U. The lobby offers unique game challenges since the beam will split when hitting glass, while the arcade games and party rooms offer extreme hiding places.

If you have not played a member's event then do not miss the next one! There just isn't anything else like it. Expect to see signs for the next one soon!

# REGIONAL TOURNAMENT

The 2012-2013 Regional Tournament Season is underway. The opening tournament of the season was September 16th starting bright and early at 9:00AM at Skyway Drive-in Laser Storm in Warren, Ohio.

There was a great turnout for this Regional Opener with 9 teams attending. Everyone was exhausted after playing eight high energy, action packed games. Pittsburgh lost to both Ohio teams to end up in 3rd place. Good job Ohio.

The next tournament is scheduled for October 13th starting at 11:30PM right here at Laser Storm Pittsburgh. If you need a team, check the event page on Facebook or call the store. There are teams looking for players.

There is only one more regional tournament scheduled before the action halts for the holidays. A tournament has been scheduled in Michigan on November 18th. This highly competitive regional series of tournaments will resume in January.

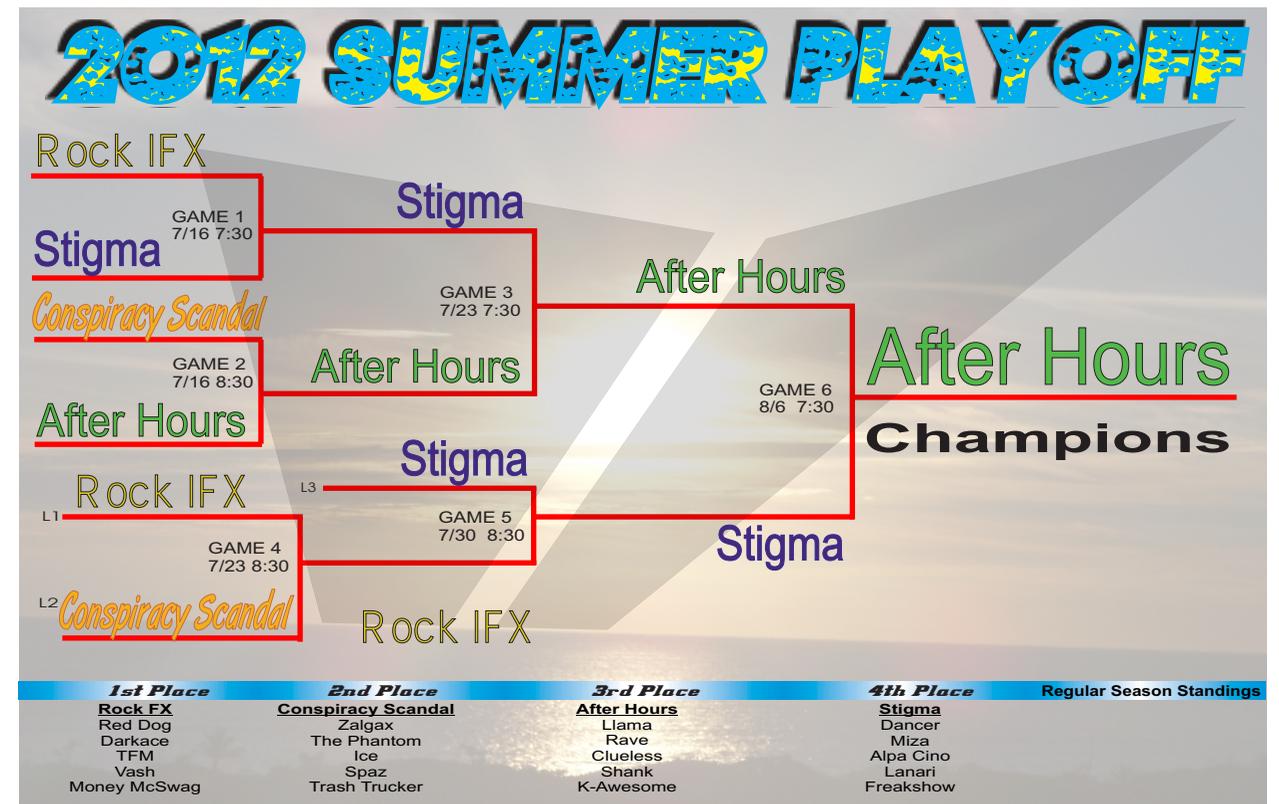

After the Regional Tournaments it is off to Nationals. The location of the next National tournament is still to be determined.

# SUMMER LEAGUE

The Summer League resulted in the top two teams going down in defeat. The 3rd place team "After Hours" lead by Dan "Llama" Condrin took first place to win the championship title.

The first place team "Rock FX" would surprise everyone with a loss in the first round to "Stigma". "Rock FX" advanced with the defeat of "Conspiracy Scandal" only to be defeated again by "Stigma".

"Stigma" took an early lead with a win in the first game. The lead was not enough to over come "After Hours" in the second game. After adding the scores together from the two games "After Hours" was the winner. Congratulations to all the players on "After Hours".

# FALL LEAGUE

The Fall League team rosters have been formed. The first series has concluded with the last series of round robin games under way before the playoffs. Good luck to all the players.
