Old stuff, current stuff, and stuff to come

The third quarter of the 1999 year will be the most eventful since Laser Storm Pittsburgh's opening. We will be holding our first ever 3 on 3 tournament in September. The arena will see changes and additions that no Laser Storm in the nation has.

Expect to see somewhat of a face lift as the front of the building may get a new look. To top it all we have the honor of hosting the National Championships at the end of July.

If you haven't seen already, we've added a few tables and chairs to the lobby. Now even if the party rooms are taken you still have an area to sit, relax between games, and maybe order nachos or

a pizza.

Laser Storm Pittsburgh defended its Regional Championship title in Warren Ohio this past June. Congratulations to all of the players that made it to the tournament.

The race to 50 is nearing its end. We may be crowning our winner sometime this quarter. Remember that employees are not eligible for the contest prizes. That pretty much gives anyone level 30+ a chance to be a top 5 finisher.

Check out our new big screen Gauntlet Legends arcade game. It offers a savable character that will allow you to continue your game whenever you choose to play. Also,

The Spring '99 shortened season was another competitive blast. The regular season final records were as followed:

Superfriends	18 wins	2 losses
The Glee Club	16 wins	4 losses
Mighty Mighty Dudes	9 wins	11 losses
Blackened Voodoo	6 wins	14 losses
Adams Family	6 wins	14 losses
Disco Infernalists	5 wins	15 losses

The playoffs did have some incredibly close matches, many decided by tie-breaker games. The finals would match The Glee Club and The Superfriends, the top ranked teams in the regular season. In their two previous meetings the teams split both matches to have a 2win, 2loss record in head-to-head competition. The final match would need no tie-breaker. The Superfriends

REGIONAL AND NATIONAL INFO

The OH/PA regional season ended on a high note for Laser Storm Pittsburgh. The Pittsburgh Nightmare successfully defended their regional title in Warren OH at the end of May. Nightmare took a loss to Warren's home team The Apocalypse, only to battle their way through the losers bracket to win back to back games against them in the finals.

The National Championship Tournament will be held the final week of July in Pittsburgh. The 6 day event is expecting anywhere from 20-30 teams from California, Colorado, Florida, Georgia, Louisiana, Michigan, New York,
